

Subba Rao Telidevara

Partner
South Asia

Subba is based in Bangalore and is a member of the investment committee for South Asia. He joined Actis in 1996 and is responsible for overseeing and advising on all investment decisions in the region.

Subba also spent three years in the US making cross border investments between India and US. He has led a number of successful investments such as Daksh, Tavant, GRO and Sify (all in IT and ITES), Sandhar Technologies (in auto parts) and Nilgiris (wholesale cash and carry). He has also managed a number of successful exits, including DSQ Software and MRO Tek.

Prior to joining Actis, Subba spent over seven years as a private equity investor with ICICI Ventures and ITC Group, and also has operational experience with ITW India Ltd and Hindustan Aeronautics Ltd.

Subba has a Bachelors and Masters degree in engineering from IIT Madras and an MBA from IIM Bangalore.
